

**IARI Jharkhand Celebrates its 11th Foundation Day  
(June 28, 2025)**

On June 28, 2025, the ICAR-Indian Agricultural Research Institute (IARI) Jharkhand celebrated its 11th Foundation Day at its campus in Gauria Karma, Barhi, Hazaribagh, Jharkhand. The event marked a significant milestone for the institute, which was established to drive inclusive agricultural growth in the region through an Integrated Farming Systems (IFS) approach and multi-disciplinary research. Dr RS Paroda, President of the IARI Alumni Association and former Secretary of DARE and Director General of ICAR, was the Chief Guest and delivered the 11th Foundation Day Lecture. His visionary insights on agricultural research and innovation inspired scientists, students, and stakeholders present at the event, reinforcing IARI Jharkhand's commitment to advancing agricultural excellence and sustainable development in eastern India.

Dr CH. Srinivasa Rao, Director & VC of IARI and Dr C Vishwanath, Joint Director (Research) IARI, New Delhi, were also present.

The celebration included a presentation of the institute's 10-year achievements and organized various other programs.
