Core Organizing Committee Meeting for Advancing GCWAS Preparations

The Core Organizing Committee (COC) for the upcoming Global Conference on Women in Agricultural Sciences (GCWAS) held a highly productive meeting on November 21, 2025. The session was presided over by Dr R S Paroda, Chief Patron and Chairman of TAAS, and co-chaired by Dr Renu Swarup, Chair of the COC and Former Secretary, DBT, who joined the meeting online. Dr Rishi Tyagi, the Member Convenor, presented a comprehensive update on the progress achieved

to date, which included the development of the official conference website, the successful release of the First Circular, the initiation of the registration process, and the appointment of the designated Event Management Company.

The central focus of the meeting was to finalize the structure and content of the forthcoming conference. Key discussions covered a thorough

review of the overall conference program structure, ensuring the integration of panel discussions, technical sessions, and dedicated exhibitions. Detailed deliberation was dedicated

to finalizing the speakers and their respective topics, with a strong emphasis on achieving balanced representation across all sessions. Furthermore, the committee addressed critical

logistical and preparatory details, such as venue arrangements and the creation of souvenir and exhibition materials. To ensure a smooth preparation process, specific roles and responsibilities were assigned, including those for Conveners and Committee Chairs.
